ANNUAL PUBLICATION OF NORTH GEORGIA COLLEGE

DAHLONEGA, GEORGIA

BEN PARKS, Editor
HUGH NORTH, Business Manager

After nine months of diligent effort, we of the annual staff present to you the 1941 edition of the CYCLOPS.

This task of providing the students with an annual that is representative of college life, and at the same time keeping up with our academic work, has been no easy one. In the course of our work it is quite probable that we have made slight oversights and errors. Such cases we deeply regret and hope that you will overlook.

It is our earnest desire that this book, in later life, will help you to live again the most pleasant moments of your life at North Georgia College. If indeed the CYCLOPS does this, we feel the task set before us will have been accomplished.

Sincerely,

Ben Parks

LIEUTENANT COLONEL JAMES E. MATTHEWS, INFANTRY

IN THE YEARS TO COME, THERE WILL BE A WARM SPOT IN THE heart of everyone who has known him. Whether it be mere casual meeting, bull session, military class, or intimate acquaintance we are instantly captivated by his charming personality. He has instilled into the being of every cadet the cardinal principles of military life, truth, honor, and devotion to duty.

With the earnest hope that some of us will be inculcated with his outlook on life, we dedicate THE CYCLOPS of 1941 to the "Colonel."

PRESIDENT

J. C. ROGERS

ONE WHOSE PERSONALITY HAS inspired every cadet and coed in showing them the wonderful opportunities and challenging them to a prospective future. Dr. Rogers has successfully coordinated the work of the administrative personnel and professors. To him and the members of the administration whose devoted service is so dear, we pay tribute.

THE MILITARY DEPARTMENT

Through the endeavors of the members of the Military Department, North Georgia College has emulated the traditions of the Military Academy at West Point; in like manner, North Georgia College may well be called "Georgia's West Point." This year brought about a reorganization of the department through the government's defense program. These measures called Captain Hutcherson to active duty, promoted Lieutenant McConnell, and transferred Sergeant Clark from R. O. T. C. training to special duties in the department. Another promotion that so pleased the cadets was that of Major Matthews to Lieutenant Colonel. Through him as P. M. S. & T. with his assistants has come to the Cadet Corps an excellent program of training which is upheld by the aid of the Cadet Officers and Non-Commissioned Officers.

Coach Coker—one whose untiring efforts have placed our college high in the rank of sports—to him we dedicate this Athletic Journal.

This year Coach Coker had seven of his last year's letter men back, and with the addition of several good freshmen, he put out a good basketball squad. The Cadets won thirteen games and lost ten.

The high point man for the season was Captain Billy McDavid with a total of 231 points. He was closely followed by Dorsey Jones, with a total of 187 points.

IN SPITE OF A CHANGE OF COACHES AT THE MIDDLE of the season, which was necessitated by changes in the Military Department personnel, the rifle team made a creditable showing toward the end of the season. John Symmes' possible scores in various positions and the support of other men on the team placed North Georgia high among the participants in the Fourth Corps Area annual match. An even higher goal was reached in the Hearst Trophy match. The season came to an end with a close win over Boys High School of Atlanta.

A rearrangement in the different phases of Military Science is proposed so that rifle marksmanship will be taught at the beginning of the year. This will enable every member of the Cadet Corps to compete for the varsity team. With these changes and practically all this year's entire team back to form the nucleus N. G. C. has prospects of another championship team for the coming year.

TENNIS

This year, Coach Coker had several of his last year's championship team back, and with the addition of several good freshmen, has put out a team that is destined to repeat last year's actions, and cop the State Junior College tournament again.

With his last year's number one man, Carlton Welborn, back in that position, and McClure, another seasoned veteran, back in number two position, Coach should put out a squad that has never been equalled in the state Junior Colleges.

Welborn and McClure should be able to hold down the number one doubles, and with Starr and Williams in there fighting at number two, the State Tournament should be easily taken.

So far this year the squad has dropped only one match, this being with Georgia Evening School.

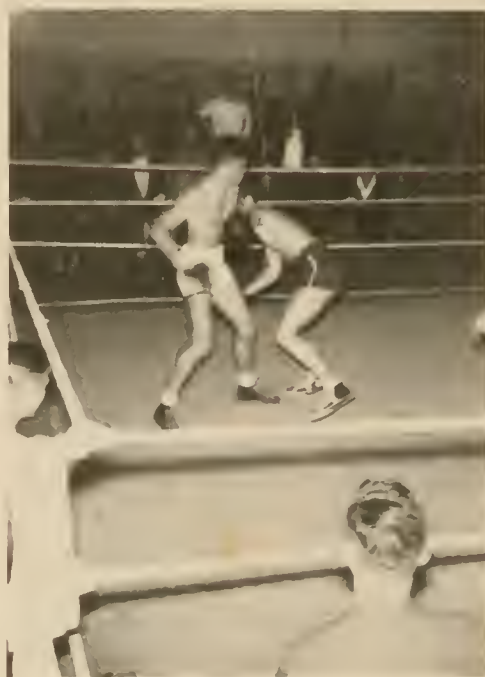

The schedule for this year is as follows:

April 8—South Georgia College	here
April 11—Georgia Evening School	there

A new year brought to us a complete new system for the Intramural Program. This year with Coach Coker, aided by his ever-ready assistant, Coach Bridges, has shown the aim of the program—"One for all and all for one." Plans have worked out in such a manner that every cadet on the campus may have the chance to take active part in some sport, whatever the type it may be. FRESHMAN BOXING . . . every year the most exciting clash in Company Spirit. Many times it was shown that it was not the most adept at the sport that came out "CHAMP" but that "it was anybody's fight that gave it what there was under the belt. Rope bruises, glove burns, nor sprained joints could not put down the "never-say-die spirit" behind each punch. As the season closed Company "D" was found to have barely nosed out the Band. FALL TENNIS . . . due to six excellent tennis courts, and the Cadets' liking this sport, Fall Tennis found many entrants on hand. Through the winners of this tournament, Coach Coker was able to pick out his present Varsity. This year the tournament was won by

"A" Company. The winner, Carlton Wellborn is number one man on the Varsity. SOFTBALL . . . before the cool weather of fall came upon us bats were wielded on the shortened diamond of the baseball field. The victorious team was also Company "D" as they defeated Company "B." TOUCH FOOTBALL . . . from the inexperienced to the ex-high school star, they trod on the field, digging their toes in deeper in every play. This tourney by no means a one-sided affair was won by the hard-hitting "A" Company boys. BASKETBALL . . . winter's breezes just round the corner threw the boys on the hardwood. Victories were piling in for every team; as the bitter struggles took place Coach Coker was busily engaged in picking the outstanding freshmen for his varsity squad. The sensational victory of the Band over "B" Company gave that organization the tourney. POOL . . . breezes still whipping around the corner also brought sweeping victory for "A" Company in the doubles tournament with Bowman and Tate as Champs. VOLLEYBALL . . . still on the hardwood comes the

bouncing and yelling of those fervently engaged in bitter struggles to keep the ball in the air. Company "B" was victorious in the volleyball tourney. BOWLING . . . comes the sensational six-man team of "C" Company with such outstanding men as P. K. Phillips, '40 singles winner, Entzminger, veteran, and Barksdale, freshman flash, to bowl over every oncomer with no trouble and finally to defeat the Faculty team. FIELD HOCKEY . . . spring bringing its usual singing of birds, cuddling of couples, sprained wrists, and still a new one for the new sport introduced this year, namely, "busted shins." Shyness of the game was overcome with the introduction of the guards and sticks soon began to fly until "A" Company came out as winners of their matches. THOSE YET TO COME . . . as the Cyclars goes to press the INTRAMURAL PROGRAM has not by any means been completed. Many men are looking forward to competing in those to come which will consist of PADDLE BAD-MINTON, PING PONG, TRACK, CROSS COUNTRY, HORSE SHOES, AND OTHERS.

MISS SARA BRUCE

Coed Intramural Sports would not be complete without the able leadership of Miss Bruce, who for several years has been their Physical Education Instructor. To her, we dedicate Coed Sports.

ARCHERY

Among the numerous sports, the coeds display unusual ability in archery. At right are some members of the archery team. Left to right, they are Lucille Griffen, archery manager, Virginia Saunders, Bonnelle Lawson, Edith Craig.

Archery tournaments are held in the spring quarter with competition between the various teams.

The Voice Of North Georgia College

ANNUAL

DAHLONEGA, GEORGIA, MAY 31, 1941

EDITION

N. G. C. Enrollment Sets New Record

October 8. The 1940-41 student group of North Georgia College is the largest in the history of the college. There are 139 coeds and 186 cadets, making a total of 594 students. This enrollment is larger by one than last year.

President Rogers estimated that approximately 150 students were denied admission because of lack of dormitory space.

Religious Emphasis Week Held April 1 to 4

April 1. Under the sponsorship of the Y. M. C. A., Religious Emphasis Week was observed April 1-4. Dr. R. S. Young, pastor of the Central Baptist church of Newnan, was guest speaker for the week.

Dr. Young conducted chapel programs on Tuesday and Thursday at regular chapel periods, and every night a service was held in the chapel auditorium. Various campus organizations helped with these evening services with special songs and programs. Open forums and discussions were held in the afternoons in various dormitories and buildings for students to meet and discuss their problems.

C Company Is Decorated With Citation Cords At Colorful Parade

October 29. Cadets of Company C, the Honor Company, were decorated with citation cords at parade Sunday by President Rogers.

The ceremony was very colorful, the members of the Honor Company wearing dress caps and blouses, with the cords on the left shoulder of the blouse. The freshmen received blue cords, the sophomores, gold ones.

The citation cord is something entirely new at North Georgia. In all probability it will be awarded every year to the members of the Honor Company. The significance of the citation cord is that it calls special attention to the fact that one company excels, and should receive recognition for its excellence.

In the future, the possibility of receiving such an adornment should give the cadet the incentive to make his company the best company.

Clark Is Unopposed In Election For President Of Student Body

October 29. In the election of Tuesday, October 22, Lieutenant Colonel James Leonard Clark of Milan, Ga., was unopposed for president of the student body.

Colonel Clark holds many important positions on the campus. He is Business Manager of the Cadet Bugler, and has been very outstanding in the military department of the school as shown by his present rank of battalion commander.

Garrison Is New Bugler Business Manager

February 4. Frank Garrison, a sophomore from Atlanta, has been chosen by the Publication Committee to fill the position of Business Manager of the Cadet Bugler, which was vacated by the resignation of James L. Clark.

Seven candidates were interviewed by the committee, several of which were freshmen who made an excellent showing. Mr. C. J. Dismukes, chairman of the Publication Committee, stated that the committee was greatly pleased with the results of the meeting and wished to urge those freshmen who tried for the position this time to be sure to enter the competition again this spring at which time next year's Business Manager will be selected.

of English and Dean of Women: Mrs. Martha Hutcherson, Assistant Librarian; Mr. Willis Bridges, Assistant Coach; and Sergeant C. H. Chapman, Assistant in the Military Dept.

New Members Are Added To Faculty

October 8. Eleven new members were added to the faculty this year. Mr. Wayne Bowman, Professor of English and Dramatic Club Director; Mr. Howard H. Gilbert, Jr., new bookkeeper; Mr. Desmond Booth, Professor of English and Director of Men's Glee Club; Mr. Francis E. Andrew, Social Science department; Mr. Richard Maguire, Professor of Mathematics and Science; Mr. Will D. Young, Registrar and Professor of Social Science; Mr. Wilbur Blankenburg, Professor of Mechanics; Dr. Irving H. Physics; Mrs. Irma Holloway, Teacher

Band Makes Trip To Basket Tourney Held In Tifton

March 11. Through the unselfish and splendidly cooperative donations of the remainder of the battalion and the generous merchants of Dahlonega, a portion of the North Georgia College Band accompanied the basketball team to Tifton to attend the junior college cage tourney.

The Band chartered a bus and, under the guidance of Lt. McConnell and Cadet Captain Saton, sallied forth to the southernmost part of the state to help the team demonstrate the merits of N. G. C.

Numerous Improvements Are Made On Campus

October 8. Numerous improvements have been and are being made on the campus and in the buildings of North Georgia College. The interior of old buildings have been redone, walks laid down in all essential places, new roads cut and the tract paved, and shrubbery placed over the entire campus.

In addition to this the new library has been finished and is now fully furnished to meet all student needs.

Elwyn Carter, Famous Soloist, To Be Here May 2

April 22. The N. G. C. Men's Glee Club will present a concert in the college auditorium at 8:30 p. m., on May 2.

Elwyn Carter, of New York, will be the guest bass soloist with Mr. C. J. Dismukes directing and Dr. B. H. Flanders at the piano.

HONOR COMPANY

NEW ARMORY AND CLOTHING ROOM

Armory And Clothing Room Near Completion; New Room To Solve Old Problem

February 18.—Under the guidance of Lieutenant Richard S. McConnell, the old library in Price Memorial Hall is being converted into a new clothing store and modernized armory. Located directly above the Student Exchange, the new Armory will be more accessible and will relieve the previous congestion that has occurred when it was necessary to check rifles in or out.

An altogether new system of care of the rifle will be inaugurated. The cadets rifle will be kept, at all times, in the armory. Each company will be allotted a section of a rack for their rifles.

The Armory is well ventilated and lighted, thus affording more satisfactory dispensation of clothing to cadets. It is conservatively equipped so as to guarantee protection and care of the rifles and clothes.

North Georgia College Players To Present Three- Act Play 'Safety First'

January 14. A husband who stays "lost" all night, a blood-thirsty Turk, and a typical Irish detective-maid romance aid in making "Safety First" the entertaining play that it is. The play will be given on Thursday, January 16, at 7:45.

The cast includes Bascom Biggers as Jack Montgomery, the young husband; Charles McClure as Jerry Arnold, an unsuccessful fixer; Loring White as Mr. McNutt, a defective detective; Benjamin Grace as Elmer Flannel, a college man; David Grover as Abou Ben Mocha, the Terrible Turk; Katharine Swint as Jack's wife (pity her); "Tootsie" Hodgson as Virginia Bridger, their mamma and "mother-in-law"; Carol Harding as Zulieka, a tender Turkish maiden; and Margaret Weems as Mary Ann O'Finnerty, an Irish cook.

Askew Promoted To Fill Vacancy

February 4. Cadet Major Lawrence Askew, outstanding in both military and student activities, has been promoted to Cadet Lieutenant Colonel to fill the vacancy caused by the resignation of Cadet Lieutenant Colonel James E. Clark, who went into service in the regular army January 16. Lieutenant Colonel Askew is a graduate of Columbus High where he served as an officer in the R. O. T. C. unit.

Prominent Men Form Alumni Association

October 29.—Several days ago a group of prominent men who used to attend North Georgia Agricultural College got together in Atlanta and organized an alumni association. Several attempts have been made in the past to form such an organization, but this is the first successful try.

At the meeting officers of the organization were elected. It is interesting to note the important positions that these old graduates now hold. Among the group of officers can be found a judge, doctor and prominent business men.

The following men are to head the association: Bill Dorsey, president; Judge Ralph McClelland, first vice-president; Dr. Thomas G. Fowler, treasurer; George H. Porter, Jr., second vice-president, and E. Burns Brooks, secretary.

Prof. Angelsberg Celebrates 80th Birthday

March 11. Mr. Ferdinand Angelsberg, North Georgia College band master, celebrated his eightieth birthday recently.

Mr. Angelsberg was born in Luxembourg and a ter an outstanding musical career came to North Georgia College in 1913 as Band Director and Professor of German. He continues yet in the former capacity and has gained a reputation for turning out outstanding bands.

Dr. J. C. Dixon To Speak For Honors Day

April 1.—Dr. J. C. Dixon, vice-chancellor of the University System of Georgia will be the guest speaker for Honors Day. Dr. Dixon is one of the most distinguished educators in the state, and his appearance will be of wide interest.

Honors Day is an annual affair, and its specific purpose is to recognize those select students who have maintained an average of B in all subjects with no grade below C. It is truly a day of universal interest and a fitting tribute to those students who have striven for exceptional marks.

New Drill Field To Be Show Place

April 22.—The new drill field, which has begun only several weeks ago, is almost completed. The grass seeds have been sown and a bountiful rain has lent its aid.

Prof. J. C. Barnes says that with favorable weather we should have a thick turf in about six weeks.

The new field has developed in an amazingly short time from a drab, rocky, apparently useless, shallow valley into a level, sodded arena surrounded by the too familiar track. The rapidity with which the changes took place is remarkable. In a comparatively short time the plot has been graded, ploughed, cut, harrowed, dragged and, in brief, pulverized.

Col. Matthews Pre- sides At Memorial Day Program

November 19.—Armistice Day was observed at North Georgia College by a special program in the auditorium, Lt. Col. Matthews presiding.

Mr. Fonville McWhorter, a prominent Atlanta businessman and a Colonel in the Reserve Corps, was the guest speaker. His speech, forceful with its graphic picturization of some of his dramatic experiences in the first World War, stressed his ideas on war and peace.

Commending the military unit here on the work it is doing, he pointed out that above all, America should be prepared for any emergency.

Col. Richmond In- spects Cadet Corps

November 19. Colonel H. R. Richmond, the officer in charge of all R. O. T. C. activities in the Fourth Corps Area, came to North Georgia College on Sunday, November 10, and gave the cadet corps his annual inspection.

Although the weather was not

permissible for church formation or parade, Colonel Richmond based his opinion of the corps upon the general appearance of the cadets and from information gained from Colonel Matthews and Sergeant McConnell.

In a letter to Colonel Matthews he sent the following report:

"Among the 17 Senior R. O. T. C. units in this corps area, the unit at this institution (North Georgia College) is, and has been for several years, one of the best, if not indeed the best. . . . Its efficiency is due . . . to the remarkably sound and solid and never-failing loyalty and devotion to it upon the part of the corps of cadets.

Metropolitan Trio Presents Concert

December 10. The Metropolitan Trio of New York presented a concert Tuesday morning, December 3, at the chapel hour. The program, composed of classical and semi-classical numbers, provided N. G. C. students with music of a very high quality which was educational as well as entertaining.

This Trio consists of three talented musicians: Mack Walmer, an accomplished pianist; Stanley Kraft, violinist who has studied with some of the foremost musicians of our day, and David Pratt, an outstanding performer on the cello.

Pan-Hellenic Group Holds Initial Meeting And Elects Officers

January 14.—The Pan-Hellenic Council held its first meeting of the year on January 7. Although this is the first meeting of the year much has already been done by this fraternal group towards promoting the social life of the campus. Several dances are on deck for the Winter Quarter.

Officers for the group have already been selected: Joe Porter, president; Ben Parks, secretary; Duke Martin, treasurer; and other members of the council are Bob Farrar, Bill Merriam and Tom Wall.

Coeds Combine Into "Oomph" Corps Headed By Moorehead and Wofford

October 29.—Flash! N. G. C. coeds abandon powder puffs for military!

All ninety-nine coeds have gotten together and formed a company, calling themselves the "Oomph Corps." This company of femininity, commanded by "Captain" Moorehead and "Lieutenant" Wofford, marches over to the dining hall and has meal formation of its own every day.

No sir, the cadets have nothing

on the coeds when it comes to military tactics, for the coeds have their own version of the "bloody hut" which they use on special occasions. And when it comes to military nomenclature, in "cadette" language, S-1, S-2 and S-3 mean "smooch, first-class, second-class and third-class."

So far, "Oomph Corps" seems to be doing very nicely. Not a single "cadette" has been "stuck" yet. But give them time!

McDAVID

McDavid Chosen On All-Stars' Basketball Team

April 22. Billy McDavid, star N. G. C. center and high point man for the past season, was chosen as one of the centers on The Southern Coach and Athlete's all star squad for 1941. McDavid's playing throughout the season and during the tournament earned him this coveted position.

NGC Cadet Five Had Good Season, Winning 13 of 23

March 11.—The Cadets had a very successful basketball season. They won 13 out of 23 games, and scored a total of 931 points with 816 scored against them. Captain Billy McDavid, high-point man with 231 points, was followed closely by Dorsey Jones, who scored a total of 187 points.

Sophomore Girls Win Over Frosh In Exciting Basket Game

March 11. Boys, girls, and faculty were greatly surprised on the fatal night of February 25 when the sophomores swept the freshmen off their feet by one victorious point. The crowd really went through torment the last few minutes of the game. Many a sore throat resulted from this combat which was the climax of the girls' intramural basketball tournament.

By careful perception of each player throughout the tournament, the freshmen elected six sophomores and the sophomores elected the most outstanding freshman player while Barbara Elder came out on top for the sophomores.

WELLBORN

Wellborn Defeats McClure In Fall Tennis Finals

October 29.—With a 6-3, 6-2, 6-1 victory, Carlton Wellborn defeated Charles McClure to win the finals of the annual fall tennis tournament.

Wellborn had previously defeated Claude Williams in the semi-finals, 6-2, 6-3; while McClure gained the finals with a 6-3, 6-1 win over William Darden.

The field included over 200 students, making it the largest tennis tournament ever held at N. G. C.

Newman Plays For First Dance Of Year

October 29. N. G. C. jitterbugs garbed in dress uniforms and evening dresses "swung" to the tunes of Jim Newman and his orchestra Saturday, October 26, in the gym. This was the first formal dance of the 1940-41 season and if the coming dances prove as successful it will be an eventful year for the swingers.

The dance, gay in all aspects, was attended by numerous victims of the bug, both love and jitter, who found it quite an occasion to prove themselves masters of various fancy steps, if not an occasion to shine in the former manner.

Field Hockey Makes Debut In Intramural Program

March 11.—Field hockey made its debut in the intramural program last week when D Company played and defeated C Company in a hot match.

The field hockey tournament is to be run round robin in nature and prospects are for heated battle for winner.

Freshman Ring Tourney Is Won By D Company

December 10. Five of the eight men of Company D in the finals won their weights to give it its second successive victory in the annual Freshman boxing tournament.

It was more than a moral victory for D Company for it enabled them to retain the beautiful Major Dugas Trophy.

The Band was runner up with 775 points to D Company's 820.

Below are the individual accomplishments:

110 lb. class—Hanley, B Company, won a four round decision over Barrett, C Company.

115 lb. class—Hyman, Band, defeated Hendricks, D Company, in three rounds.

125 lb. class—Hayes, D Company, defeated Faircloth, D Company, in a four round thriller.

135 lb. class—Myron, C Company, defeated Lyle, A Company, in four rounds.

145 lb. class—Keaton, D Company, scored a T. K. O. over Newton, D Company, in the second round.

155 lb. class—Bass, D Company, won a three-round decision over Roper, C Company.

165 lb. class—Austin, Band, defeated Andrews, Band, in a five round slugfest.

175 lb. class—Grimes, D Company, scored a two-round K. O. over Whitaker, C Company.

Heavyweight class—Thomas, D Company, won a three-round decision over Murrah, A Company.

Inter-Collegiate Baseball Is Discontinued

March 11.—Baseball is no more at North Georgia College. In a recent announcement Coach Coker stated that "Due to the lack of competition in the junior colleges, and to the discontinuance of baseball in many of these schools, it has been deemed wise by the Athletic Committee to discontinue inter-collegiate baseball at our college."

To fill this vacancy, Coker is planning to make the intramural program, which includes baseball, even larger than it is at the present.

Band Cops Basketball Honors

October 29. The Band won the annual fall basketball tourney by defeating Company A in the finals Monday afternoon, October 21, by a score of 2-12.

The entire battalion entered the tournament with very much enthusiasm and everyone is looking forward to entering other events.

The Band played seven games and lost none, giving them a perfect score.

Cadet Corps Will Parade In Atlanta

April 22. For the first time in several years N. G. C. was not present at the Atlanta Memorial Day parade last year. This year, The Cadet Bugler sponsored an "On to Atlanta" campaign which was enacted with great success.

Recently, President Rogers received an invitation to attend this year. This was the final inspiration for preparation and today, plans are completed whereby the entire battalion will again proudly parade up and down the streets of Atlanta.

'Pep' Parade Here Inspires Cadet Victory

February 18.—Saturday night, February 8, will long be memorable to North Georgia College students, not only because of the smashing basketball victory over the previously undefeated West Georgia College Braves, but also for a record-breaking show of team spirit.

Immediately after supper a rousing pep meeting was conducted in the college auditorium by the cheer leaders, and light music was rendered by a portion of the band. After several minutes of rafter-rattling yells, the mass formed into a column, and, led by the musicians, staged an unprecedented procession about the campus. Vim, vigor, verve, and vitality were the watchwords of the marchers, and tumult reigned in the ranks. At the head of the parade was carried a stuffed effigy of the West Georgia Indian, and the insults and aspersions cast against it were varied as well as numerous.

The parade terminated at the gymnasium, but the pep was retained inside.

Matthews Is Reassigned As P. M. S. & T.

April 1.—Lt. Col. James E. Matthews has been reassigned as P. M. S. & T. at North Georgia College and unless unforeseen circumstances arise he will be at the college during the year 1941-42.

Col. Matthews has been stationed at North Georgia College since 1936. During this period many changes and improvements have been brought about under his guidance. The Battalion has displayed a rapid growth and the following letter was received from the inspecting officer last year:

"This is the best trained, best general appearing unit I have seen in seven years of R. O. T. C. work." This speaks very highly for the Military Department, of which Col. Matthews is head.

SOPH.-FROSH GAME

Fighting Cadets Win Over West Georgia

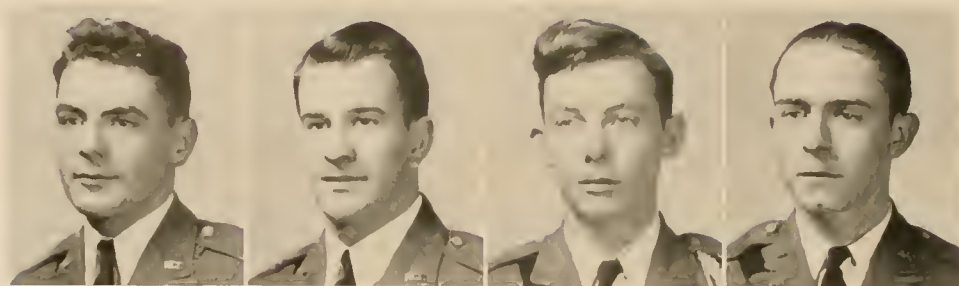

February 18. The North Georgia College Cadets defeated their arch enemies, West Georgia College, by a score of 49-34, on Friday night, February 8. The game was thrill-packed from the opening tip-off to the final whistle.

STUDENTS:

In this final effort to show my appreciation for your patronage this year may I say to the Sophomores, "So long and good luck"; to the Freshmen, "So long, 'til next year when I can again serve you with the same pleasant dealings which have been ours this year".

It was here friends met and discussed campus matters, it was here you invariably took your date and discussed things other than politics as you paused to refresh yourself with a dish of Southern Dairies Ice Cream, a cup of coffee and a toasted sandwich, or whiled away an hour at billiards.

Yes, happy days those were - and their memory is made all the sweeter by those eternal tokens of friendship and love - COLLEGE-SEAL jewelry and stationery.

We have thoroughly enjoyed being host to the Corps of Cadets and the Co-eds. To the graduating class, we offer our congratulations: to the first year students we say that we will look forward with pleasure to seeing you again next year.

Sincerely,

Harmon H. Smith.
